* International students for whom English is a second language are required to demonstrate College level English proficiency by submitting the minimum required TOEFL Score. International students whose native language is English shall be expected to satisfy the same requirements as students from the United States.

Special Achievement Consideration:

A non –resident student with high achievement in dance performance, or debate, or visual arts, or music performance, or theater performance may be granted a waiver (or “may be considered a resident of Louisiana for tuition/fee purposes”) if it is deemed that the student’s presence will improve the educational opportunities of other students. Cheerleaders, flag corps, university recognized or sponsored spirit groups that perform at athletic game activities, and the SGA president, as well as certain others may also be considered in this group. The applying student must meet each of the following criteria:

1. Demonstrate high achievement in the appropriate performance area.
2. Have a cumulative minimum grade point average of 2.5 on a 4.0 scale in high school. If applying prior to entering college, or upon at least 24 semester hours of college work.
3. Demonstrate leadership.
4. Receive a satisfactory rating in an interview (personally or by telephone).
5. Commit to participate in the appropriate area (dance performance, debate, music performance theater performance) at the granting institution.

To be eligible to continue receiving this resident fee status, a student in the group above must meet the following criteria:

1. Maintain satisfactory participation and performance in the appropriate collegiate activity. Failure to maintain satisfactory participation and performance in one semester will result in forfeiting the waiver (or fee status) for subsequent semesters. After re-establishing satisfactory performance for at least one semester (not including the summer session), the student may reapply for the waiver (or fee status). A student may be exempted from this requirement by an appropriately designated official of the university after one academic year of performance.
2. Maintain status as a full time student.
3. Maintain a semester and cumulative 2.0 grade point average. If the semester or cumulative GPA falls below 2.0, the student may not receive the waiver for the succeeding semester, but he will forfeit the waiver (or fee status) if the semester or cumulative GPA is below 2.0 at the close of that succeeding semester.
